JANUARY MEETING NEWS

During the Jan meeting, we plan to continue our efforts to create a fee schedule that works for the majority of our members.

Due to the unpredictable weather and attendance, we will not be hosting a BBQ, but will have an assortment of snacks available.

We will take any offers from any inspired member that wishes to take over the newsletter creation and publishing for our club.

November 2016 meeting minutes

Meeting called to order at 11:30

White VCUAS club shirts available for \$20.00/ea

October minutes approved by Keith, 2nd by Lorin

Old Business-

Tasconini(sp) lawsuit atty says settlement talks due in February

New Business-

Safety rules to be posted by this meeting (will not actually happen until next week when I return to So Cal)

Runway repairs are to be done in Spring

Temporary repairs - cold patch - should be fairly reliable and are a good choice

We need volunteers to do this project - discussion followed re: weekdays vs weekends

Concrete patches may be a better option - no hard decisions made

Bill will (is actively) working on repairs to the email blaster. No success so far.
Should be functional any day now.

Voting rights and fees discussion with Steve to send proposal. The design may be something like \$85/hangar will go to \$100/mo and \$25/mo for field users who get to vote.

BBQ donations are always accepted and appreciated

Charles is keeping up with the insurance currency. VCUAS may post insured member list on the club bulletin board.
